

Long Reach Loppers

For all those times the branch is “just out of reach”

Now you can...

- Easily reach into dense bushes
- Reach up high to cut tree branches
- Use the lopper in tight spots ordinary loppers just won't fit
- Cut back plants and shrubs without bending over

Includes support strap that fits over your shoulder for comfort and convenience

Features

- Die cast aluminum construction
- Marquench hardened, Teflon coated blades
- 1 3/4" Cutting Capacity

Available in 2 Lengths:

LP-18515: 5' OAL

LP-18518: 6' OAL
